

AUTHOR, SPEAKER & CHRISTIAN HOPE COACH

BETTIE BLOCKER OWENS

WWW.KAWMINISTRY.COM

Author Bettie Owens of book, *Oh God, Why My Only Child?* has a story to tell. Twenty years ago, Bettie's only child Kanika A. Wilson went in for a simple day surgery and left the outpatient clinic in a comatose state. Bettie has questioned the unthinkable circumstances her family had to go through. Bettie realizes that her family's misfortune was the birthing

for her purpose. She now realizes that she was placed on earth to be a light and to encourage other parents who may be going through similar circumstances. Trials were not created for us to go through alone so she is spreading a message to the world, one of love, of hope, overcoming, and a message of victory!
